WHAT CUSTOMERS SAY ABOUT US

"They provide us with great products, good customer service and on-site support as needed. Shelley understands the high standards that our company requires and are most effective in meeting our technical and commercial expectations."

—
Dave Evans, Automation Manager
MASSIV Automated Systems

"Shelley Automation has been a key partner to us throughout our journey, and will continue to be a key partner in helping us to ensure that OUR customers receive the best solutions for their automation needs."

—
Steve Loftus, President
Innovative Automation

"We have worked on several projects that involve vision systems and other sensors. Shelley is my first choice to go to because they listen first, then provide us with their recommendations. They have excellent products, amazing customer service and outstanding technical support."

—
Andy Alubaidy, Professor
Sheridan College

"We appreciate how well Shelley Automation responds to our needs; they have done excellent work delivering engineered inspection solutions for our projects. Great people and great support!"
